A GROWING NEWSPAPER — A GROWING COMMUNITY

Vol. 63, No. 21 CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA 10c per copy Thursday, May 26, 1955

Here are the winners of the girl's Crazy Hat contest held last Friday at Campbell High School: Judy Donovan, right was first place winner with a platform of dancy dolls; Virginia Morse, center, was second with a double carton of eggs and sun visor; Kay Maddrey, left was third with a fish net and seashell ornaments.

City Gets Fire Truck, Fire Whistle, Police

At the council meeting Monday night two permits were issued for the sale of fireworks, a fire whistle was authorized purchased and an extra fire truck was accepted from the Central Fire District. There were three resolutions adopted setting hearings for zoning properties and the Council went on record against putting Campbell in any other court district than with Los Gatos.

City Attorney Joseph Bonacina produced warrants from the County for $3770.36 and $2181.16 and the pink slip for a fire engine in settlement of a judgment to the city for share in assets of the Central Fire District and for taxes collected at the time Campbell was incorporated.

Fire Chief Jack Scott was instructed to pick up the truck and throw a salvage cover over it until housing can be found for it, or it can be sold.

The fireworks permits were issued to Holmes Hobby Center on South Winchester Road and Mayfair Packing Company at southeast corner Hamilton and Los Gatos-San Jose Road.

Chief Scott was authorized to purchase for $1686.45 as budgeted for, a new fire whistle with volume enough that it can be heard by auxiliary firemen in various parts of town.

Council set June 20 as the time for hearing recommendation from Planning Commission that plan lines for the San Tomas Boulevard be accepted. Map of the route as designated by the plan lines is on the wall at the fire station. It extends from Camden Avenue proposed crossing on Winchester road to Robin Lane, parallels Old Orchard Road over Budd then veers westerly toward Cypress and Rincon, follows the Cypress Avenue direction across Campbell, Hamilton and Payne avenues through Santa Clara to Bayshore highway. It would be part of the street and highway plans and the flood control project.

Another zone hearing is on application of Ted Anderson who wants to have Associated oli company station on his property at Winchester and Hamilton, his present station operating on a non-conforming basis. The third matter for zoning set for hearing June 20 is that of the E. A. Garrison property fronting the east side of Winchester Road 230 feet north of Latimer avenue, seeking a change from R-3 to C-2-S so as to erect a seven store commercial building.

Council introduced ordinance approving annexation of the Frank Maggiore lands.

Councilman John Chargin reported a move under way to redistrict courts in Santa Clara County in view of increased populations. Discussion at the Board of Supervisors meeting Monday disclosed some thinking that Campbell may be put in either Santa Clara or San Jose district in which event we would lose the once-a-week court now set up with the Los Gatos-Campbell-Saratoga district. Council went on record as opposed to losing the local court or for being shuffled into any other district than with Los Gatos-Saratoga. A resolution to this effect is to be filed with the Board of Supervisors on Monday.

There are now 17 members of the police auxiliary of which body, Vincent Diehl has been named captain, Alfred Cook as lieutenant and Ralph Foster and Perry Hullas sergeants, according to Police Chief Robert Locke. Council confirmed the appointments.

FIVE CENT TAX RATE INCREASE AS DISTRICT FOUR BUDGET IS SET

A 5c increase in the tax levy is anticipated from the $131,892 budget approved Friday by Board of Directors of Sanitation District No. 4. Stephen Goodman, manager, said the budget which is to take effect in July is to be turned over to the County Board of Supervisors.

The tax increase will set the district levy at 16.1 cents per $100 assessed valuation. Present figure is 11.1 cents.

Goodman said the chief reason for the increase is that this year only $31,000 is being transferred from the district's rental-connection fund to the operating fund. Last year, a transfer of $55,000 was made. This accounts for four cents of the five-cent hike, he said.

The other cent results from a raise in the tax levy for general obligation bonds, Goodman said.

Of the total $131,892 budget, salaries and wages will take up $44,207; maintenance and operation, $52,020, and capital outlay, $35,665.

Goodman said $62,741 of the budget must be raised by tax levy. The remaining $69,151 in available funds consists of a $35,791 surplus, $2,360 in estimated deposits and $31,000 revenues from fees and rentals.

SCHOOL BOARD TO CONSIDER PLANS

The Campbell District School Trustees Board will meet tonight to consider the next step to take regarding building plans after rejecting bids last week as too high for the State allotment.

William Henley, superintendent of the Grammar School District, and C. A. Bradley, business manager, will continue their annual routine building inspection today.

ARENDS, LLOYD ARE RE-ELECTED

Both incumbents were re-elected as trustees for Campbell Union High School at the election last Friday, as but a small per centage of voters went to the polls.

Emerson Arends received 501 votes, William N. Lloyd 474; Thomas Casey, 140 and John Wembley, 129.

At Union school I. R. Mirassou received 107 votes while Leopold Diel got 95 to win elections in a four-candidate contest. At Saratoga Vince Garrod and Mrs. Caroline Winston were elected in a four candidate race.

At Moreland Sam Manfre was re-elected with Marian Dearborn who won by one vote over Robert Brydon.

Commercial Zoning On Winchester Wins

Reports that private interests were attempting to buy up residential properties on Winchester Road between Hamilton Avenue an dthe High School and Grammar School with a view that eventually this is to be a commercial center, were heard Thursday evening at Campbell Planning Commission meeting. It was during the hearing on application of E. A. Garrison for change of zoning to C-2-S of property on east side of Winchester Road starting 230 feet north of Latimer Avenue and extending 196 feet north to the corner of Winchester Road and Garrison Drive.

Planners, after some 90 minutes of discussion before a packed room, approved on split vote the Garrison application and again against de-zoning from C-2-S to R-3-S of the Nellie Rutherford property at the northeast corner of Latimer and Winchester, now under contract of sale to Union Oil Company.

Commissioners L. H. Harmon, Kenneth Priestley, Ted R. Solari and J. A. Tomlinosn voted commercial status for both parcels, while Chairman Hollis Logue Jr., and Commission secretary Homer Hyde voted for R-3-S status for these properties.

Nestor Barrett, planning consultant indicated Garrison Drive was not a dedicated road and that access to existing apartments might not be secure if the frontage strip were made commercial. Attorney Paul Gallagher assured that full cooperation would be given and that commercial building would be subject to architectural controls. Herb Shadle spoke in favor of commercial zoning and saw north Winchester avenue as a potential business area.

Robert E. Dakin, appraiser for Northwest Mutual Insurance said a loan was made when Garrison apartments were built with an understanding the frontage was to be commercial. He pointed out that traffic hazards of putting more apartments to Winchester, many of which would have children who might venture across to the new shopping center across the street.

Barrett said that if an area of residential property is zoned commercial it usually results in businesses being operated from homes, patching over property and other haphazard operations. He said the commission looks at the overall planning of the city.

Attorney John Machado represented the Rutherford interests successfully. It had been contended Dave Rutherford had the property zoned commercial so as to move his mortuary there when the property was taken over by the high school. The school bought the mortuary property, the Latimer corner was sold to Union Oil Company. Planners said it ought to be dezoned to original status then on vote decided to leave it as is. There was some question as to whether this lot was too big for the proposed station and what was to be done about the extra lot. Machado assured it would be kept weed-free.

Across the street at 245 N. Winchester Road Ted and Phylls Anderson asked for and were granted C-2-S zoning on property now zoned R-1 so that an Associated Oil Company station can be set up there replacing present service station operating under non-conforming use since before incorcoration. W. J. Giannini said the 125x125 site was sufficient to allow for set back for widening of Winchester Road.

A hearing was set for June 16 on application of Kenneth Stringfellow for a use permit to operate a tune-up shop at North San Jose-Los Gatos Road.

Students Enjoy Carnival Week At High School

Clashy clothes and crazy hats were the order of the day Friday at Campbell High school as the climax to a week of carnival capers. Monday the freshman girls turned up wearing pigtails, Tuesday the sophs wore fancy bows, Wednesday the juniors came in barker outfits of tophat, string tie and canes, and Thursday the seniors wore western attire.

Silver Beaver Award To Hill

For outstanding service to youth on a council basis, the silver beaver award was made Saturday night to Laurance Hill, district superintendent of Campbell High School, as a feature of a dinner meeting at Herbert Hoover Junior High School in San Jose.

From boy scout in 1922 Hill moved on in leadership positions to troop committeeman, district committeeman, district committee chairman, chairman of organization and extension committee, executive board member Santa Clara County Council and since 1953, a vice-president of the council. He has also served on girl scout board of directors, past-president Campbell Kiwanis, vice-president San Jose Teachers association, past president of secondary school administrators of California, past president Campbell Chamber of Commerce, Community service fund, past president Royal Knights of Round Table, chairman Campbell Co-ordinating council and chairman Campbell area Recreation Commission.

Robert Kirkwood, state controller, was chief speaker. Marc Vertin of Los Gatos, silver beaver holder and a 35 year veteran of scouting was in charge of ceremonies. Assemblyman Clark Bradley, council president, presided.

TEN NAMES FOR NEW SCHOOL IN MORELAND AREA

Dr. Salk School is one of the ten names proposed for the new Moreland District school going up on Bucknall avenue to be decided on Saturday when returns are in from 'You Name It' ballot being circulated today by children of the Moreland and El Quito school.

While ten names have already been proposed, space is left for any new suggested name according to the Moreland Advisory Committee chairman, Sal Miland. The name getting most votes will be recommended to the school board. Other names proposed are: Bucknall School, Castro School; Earl Warren School, Friendship School, Joe McKinnon School, La Palma School, Prune Valley School, Rincon School and La Escuela de las Palmas. The latter name has been tentatively approved but was found to be too lengthy.

Last night the advisory committee submitted two plans for grade assignments at the schools, one based on educational program advantages, the other on geographical advantages.

First plan for Moreland would have 4 kindergarten classes, no first or second grades, two third grade classes, two fourth, one fifth, one sixth, 3 sevenths and 3 eighth grade classes while at El Quito there would be no kindergarten, four firsts, four seconds, two thirds, two fourths, two fifths, two sixths and no seventh and eighths. At the new school to be occupied in November there would be one or two kindergarten, two first grade classes, one second grade and a special class, leaving one classroom to relieve overcrowded grades.

Second plan for Moreland, 4 kindergarten classes but no 1, 2, 3 or 4th grades; 3 6th grades, 3 7th grades and 3 8th grades; El Quito Park would have four classes in each 1, 2, 3, 4 grades while the new school would be the same as in plan 1.

Plan 2 directs attention to facilities at Moreland school such as cafetorium, shop, orchestra, play field and library suited for upper grade students. Henry Nettensheim is chairman on sub committee on curriculum, Clarence Barr is chairman of subcommittee on transportation, both of which committees conceived these plans.

Grange Awards Bond To Senior Future Farmer

A program of piano selections by Jack Fischer, principal of San Tomas School, was presented by the lecturer, Josephine Biller, at the May 24 meeting of Orchard City Grange. The charter was draped in memory of Miss Ann Kenyon who passed away May 13.

Will Johnson told of his recent trip to southern California and also said the field Santa Clara Conuty Granges should get together and have politicians do something about bringing water and water freeways into the county.

It was voted to award the $25 bond to the most outstanding senior Future Farmer of Campbell Union High School, Richard Rice. This is a yearly award given by the Grange.

Chaplain Lucille Hoerler proposed this coming Sunday, May 29, as go-to-church Snuday for Orchard City Grange. Members will go in a group to visit Reverend Hurlburt at the First Christian Church of Los Gatos. Anyone desiring transportation should call FR 8-2357 or FR 8-3329.

Charlotte Sutter, one of the charter members, was reported to be in San Jose Hospital with fractured ribs suffered in a fall. Home Economic Chairman Sadie Proctor, reported on the last meeting at the home of Peggy Dodson and announced the next meeting will be June 10 at the home of Ora Lear with Katherine Shadle as co- hostess. County and District Chairmen will be guests.

The Home Economic group will serve a chicken pie supper at the next Grange meeting(June 14, from 5:30 to 7:30 p. m. Tickets are available from members and will also be sold at the door. The Grange voted to call an election at this next meeting to sell the lot.

Refreshments were served by Mr. and Mrs. Russell Sargent, chair men; Mr. and Mrs. Yelverton Rhea and Muriel Smith.

Tom Casey New Head Chamber Of Commerce

Thomas Casey, manufacturer's agent and former member of the Campbell Police department was elected president of the Campbell Chamber of Commerce at a meeting Tuesday evening of the Board of Directors. Casey is to succeed Sam Cava who served successfully for the 1954-55 term. A dinner meeting open to the public has been tentatively scheduled for Monday evening, June 13 at which time Cava is to report on accomplishments and aims of the Chamber of Commerce during the past year. Casey is to outline at that time a program for the new year and announce committees.

Directors accepted with regret the resignation of Glen Skillrud who no longer is in business in Campbell and who resides in San Jose. John Wimbly was appointed to the directorate. Cava, because of his health and press of business matters resigned stating he would continue to work with the organization. Casey was nominated to the directorate and subsequently elected to the presidency.

Other officers include Del Lucot as vice-president, Lester Lafferty as executive secretary and Rex Jeffers as treasurer.

Councilman John Chargin addressed the directors regarding the proposed change in status of the Campbell - Los Gatos - Saratoga court and a resolution was authorized prepared voicing opposition to any such action that would change the pattern of the district or lose the once a week court in Campbell.

Directors present were Sam Cava, Del Lucot, Tom Casey, Lester Lafferty, Norman Corvello, Milt Nelson, Robert Curry, John Wembly and Ben Strong. Visitors were Councilman John Chargin and Joe Anello of the Campbell Press.

Cherry Lane Told About School Needs Study

District Superintendent William Henley said the credit for good schools in this area goes to the people that support them, and that there is no indication of a decrease in the elementary school population when he discussed the problems of the growing school district at the Cherry Lane Home and School Club meeting Tuesday evening. Henley also described the work of a committee for the study of elementary school needs of which he has been a member for five years and said the results of the study are to be made available to parents and school administrators when completed.

Charles Brue, member of a local committee working on the study, displayed the results of different stages of the study and described two aims of a good school: the school should be a part of the community, and, the teachers should work with children as individuals.

The business session was opened with a flag salute led by David Cochran of Pack 77. Alice Smith reported that the Cherry Pie festival had netted $328.07, and received applause for her work as chairman; and Larry Cunha reported that the Cherry Pie float had won first prize in the Old Settlers' Day parade. The auditor's and treasurer's reports were approved and an estimated budget of $1100 read.

Officers for next year who were then installed are, Phil Salituri, president; Jean Peterson, vice president; Alice Smith, secretary; Eugene McGinty, treasurer; and Harry J. Kahrmann, Jr., auditor. The new president presented outgoing president, Clifford Cunha, with a pipe in recognition of his year's service.

Three prizes given at the drawing were won by Mrs. Arthur Rice, Mr. Cochran, and Clifford Cunha.

Refreshments served during the social hour at the beginning of the meeting were supervised by room mothers Emma Davenport, Dolores Cunha and Alice Smith.

CAMPBELL DISTRICT GRAND COUNCIL FIRE

THE CAMPBELL EXPRESSWAY?

Two annexations filed with boundaries commission by the City of San Jose yesterday would include Hamilton No. 3 of 93 acres and Hamilton No. 4 of 10 acres taking off from Fruitdale avenue along the right of way of the Southern Pacific. City Manager A. P. Hamann said this will be "The Campbell Expressway".

This makes six annexations filed by San Jose for consideration by boundaries commission Monday afternoon.

Dr. Paul Roberts Given Fulbright Award To Egypt

Dr. Paul Roberts of 135 W. Rincon Avenue, who is professor of English at San Jose State College, was notified Tuesday that he is the recipient of a one year Fulbright Award to the Cairo University in Cairo, Egypt. He will teach English as a foreign language.

The Award is given annually by an Exchange Board set up between the United States and foreign countries to teachers and students who wish to teach or study abroad for a year. As far as can be determined Roberts is the first professor from San Jose State to go to Egypt. Another Campbell man, Richard Kilby, professor of Psychology at San Jose State, has also been given a Fulbright Award to India.

Mr. and Mrs. Roberts and their three children say they are now in the midst of plans for moving to Egypt when school is out.

Campbell Alloted $22,284 Gas Tax Money From State

A record of $643,549.67 of state gasoline tax revenue has been apportioned to the twelve incorporated cities of Santa Clara County for street work during the current fiscal year, State Director of Public Works Frank Durkee said today. The total apportioned to Campbell for the fiscal year ending June 30, 1955 was $22,283.90. Other cities received: Santa Clara $43,128; Sunnyvale $45,274; Gilroy $15,235; Los Gatos $14,271; Los Altos $55,062; San Jose $302,438.

Durkee said this money is in addition to funds expended on state highways within cities and included in the state highway budget. State law requires the cities to spend at least 60% of this gas tax apportionment on streets included in the major streets system as designated by the city council and approved by the State Department of Public Works. Up to 40% may be spent for maintenance of city streets. In actual practice, Durkee said, it is a matter of close cooperation between State and local officials to obtain maximum benefit from the funds in terms of service to traffic.

A Cappella Choir Entertains Rotary

....Following the regular Monday luncheon, the Campbell Rotary Club boarded a school bus and rode to Campbell High School where they were entertained by the a Cappella choir under the direction of Frank Triena, head of the Choral department.

Selections sung by the choir were "Say Ye To The Righteous", by Thompson; a Russian number; "Cindy"; "Orchestra Song"; "Daniel, Daniel", a negro spiritual; and the chorus from "Oklahoma".

Chairman for the day was Cel Gerevas.

EDITORIAL

GREEN-EYED HOUSE FLIES

In case you are interested, the University of California has developed a green-eyed housefly. The ordinary ones have red eyes. Entomologists noticed the rare mutation during tests on housefly resistance to DDT; so now, with geneticists, they are trying to appraise the significance of this discovery.

They raise more than 10,000 houseflies each week at the University to as to check the inheritance of immunity to insecticides. This resistance to insecticides has been reported in 30 species, including disease carriers such as the housefly and the mosquito. The green-eyed housefly may be immune to DDT, and if it is, does that mean we must look every fly in the eye before we spray or swat?

JUNIPERO SERRA FREEWAY

Some 26 years ago when a joint highway district was formed to set a new freeway between San Francisco and southern Santa Clara County along Junipero Serra Road, it seemed like a good idea, but one which at that time was of little importance as the El Camino, Bayshore and Skyline highways seemed adequate. The state sent out surveyors who put stakes on private property including some big Hillsborough estates, and that stopped it.

Col. John Skeggs, who for years was state engineer in this district, saw the need for five major north-south highways. Now a resident of Saratoga, he says if properly located it can become the shortest possible route between San Francisco and Gilroy. We are now realizing some of the traffic loads today which he predicted would come twenty years ago. Seemingly it will not be built by joint highway planning between two or three counties, so it is up to the state to take it over. Bills are in both Houses of the Legislature seeking that the project be taken into the state highway system.

Such a road is quite feasible and, in a roundabout way is already in use. Drive west on Campbell avenue, Prospect Road, across Highway 9 toward the foothills, then follow the railroad line through Los Altos then back of Stanford University across Woodside to La Canada Road and the Skyline into San Francisco. It is quicker and safer when traffic is heavy than either El Camino or Bayshore.

We do not know if or when plan lines might be set for such a road, but we do know that traffic relief would be given. The talk about an expensive road over mountainous terrain to Patterson in the San Joaquin valley would not serve any where such a traffic load as would a properly planned Junipero Serra road.

MEMORIAL DAY

It is our privilege and duty on Memorial Day to honor those who have fallen bittle. But this is not something which should begin and end on May 30.

Indeed, our debt to the heroic dead is to keep fresh in our minds the purpose of their sacrifices and to do all we can through constructive thinking and living to bring to reality, if possible, the kind of a world they fought for.

This emphasizes that it is more important to strive to understand world problems and pray for their solution than it is to put flowers on a headstone. By this we mean no disrespect to those who have gone on, but the highest honor we can pay the dead is to help the living. And we shsould certainly think often of those who survived the battles but now are confined to wheel chairs and hospital beds. They, too gave a full measure of devotion. They, too, deserve our remembrance and affection.

The solemn ceremonies, the heartfelt eulogies the flowers, and, yes, the tears, are a fitting part of Memorial Day. But these, however moving at the moment, are hollow gestures without the daily deeds that give them meaning.

LET'S NOT SHUFFLE THE COURT

There is a movement under way to set up district courts in Santa Clara County, action which is permissible when certain area population figures are reached. This would reduce the number of courts, but increase the overall costs since the new court calls for paid clerical services and a higher rate of pay for the judges.

We are none too sure about where the bar association stands on this matter, as the North County Association sees the world through one pair of binoculars while the rest of the County legal minds function as another Association. The County Supervisors. elected by district, seem to be open minded and not inclined toward a sudden change through amalgamation of communities. To add to the confusion, the annexations by some cities, San Jose particularly, have wrapped in lands from municipal folds which otherwise had been in the jurisdiction of small courts.

One of the latest proposals would be to shuffle either Campbell or Saratoga out of the Campbell-Los Gatos-Saratoga court, so that either Santa Clara may qualify for a district court or that San Jose may have an extra one. We do not like it.

There is a good working set-up here now, with court held in Campbell each Monday. Traffic matters civil actions and other cases are handled conveniently. There is a family-like feeling among these three communities because of common interests and we seem to get along well. Within the next three or four years this same area will have the necessary population for a district court. Let's wait. We see no reason for changing our little nest in the valley just to add a feather to outside interests.

The Campbell Gambol

STRAWBERRIES Are now one of the major crops in Campbell and the Santa Clara Valley with crate after crate being shipped all over the country, some of the berries being bigger than plums . . quite a few new fields where old orchards have been removed and where tomatoes were formerly grown along Latimer, San Tomas Aquina, Hamilton, Budd and west Campbell avenues . . . one of the foremost developers is the R. H. Hyde Company at Watsonville working with University of California who have turned out such varieties as the Shasta, Streamline, Lassen and Cupertino which are first rooted in snow banks of Oregon, brought here when about two inches high and with beard-like roots of about 8 inch length, which when ready for planting are clipped to about four inches, fanned while laying in a trench-hole and sealed in with the knee of the planter . . . some berries do better in hot,dry climates, others in low and damp climates, some are pithy inside, some are aromatic, some have an almost smooth skin and some have a litte seedlike coating, some are gritty, some mushy, some are pointed and some are rounded, some have a red flesh, some a pink and almost white flesh, some resist mildew and others do not, ants eat some and won't bother others, some bear early and some later, some for a short time and others for long periods, all of which is an interesting story known to commercial growers, the popular variety here now seems to be the Streamline or the Cupertino.

BERRIES In Washington has our Congressman, Charlie Gubser all excited in a letter we just received from him in which he tells about a neighborhood grocer who he has been ribbing about the size, looks and quality of Eastern strawberries on sale, the retort indicating Gubser was bragging just too much so . . . last week some berries grown here hit the Eastern market and a special shipment went by air express to our Congressman with a request they be presented President Eisenhower and other leaders, which our boy was most happy to do, except that the secret service said, "uh-huh, can't do it" or words to that effect, but a Mr. Earl Chesney who is sort of special assistant to the President came over and accepted a few boxes for the President and they were served that same evening . . . "before distributing the rest I took a few boxes to my friend the neighborhood grocer who said 'What'cha got there, tomatoes?' and I said, 'These, my friend, are strawberries from my district in Santa Clara Valley' and his eyes just popped as other customers crowded around marveling at those beautiful strawberries. Following day the grocer told me he was sold, 'Those Texans are always bragging but looks like you Californians really mean it. I've never seen strawberries such as these" . . . punchline of course from the Gubser letter was that he sent berries and a letter to the chairman of the House Interior Committee which passes on reclamation matters, pointing out that strawberries need water to grow, and he hopes our district is never so deficient with water that berries such as these could not be grown and "I think the point was not missed".

REX JEFFERS Who gets out the Kiwanis Bulletin, while reporting on the talk last Tuesday by an agricultural chemist, stated it was about the various types of insecticides, germicides, fungicides but not homicides used in agriculture, which I thought covered the subject quite well.

HALL HAYNES Who cavorts for the Los Angeles Rams in football season and works for Western Gravel in Campbell for the remainder of the year is buddy-buddy with Billy Wilson who snatches long passes for the San Francisco '49ers and who has resided in Campbell for about eleven years . . . both insist Billy and Hall are given first names . . . Haynes told me his maternal grandmother was Cora Hall Patterson, his paternal grandmother Mary Gibson, so when he saw the light of day he got the name Hall Gibson Haynes . . . Wilson became Billie and never even got a middle name.

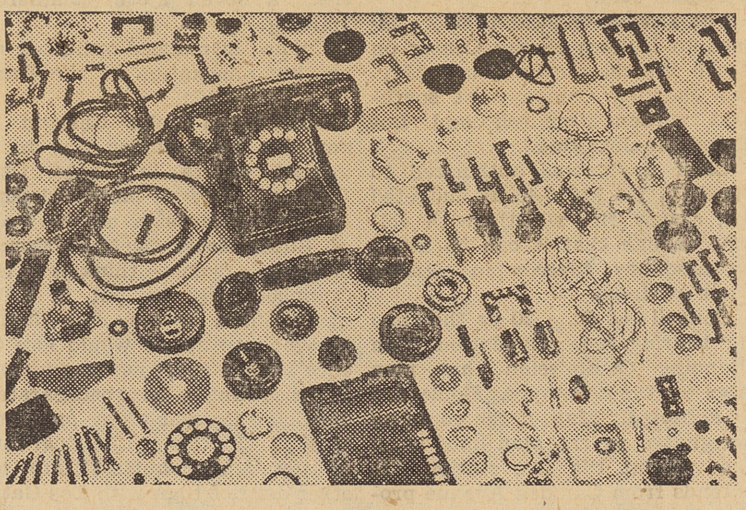
WHAT'S DOING

T. K. Nordheim, your Telephone Manager in Campbell



How many parts make a telephone?

If you were to count the parts in a telephone, you'd find an almost unbelievable number. There are 433 of them, all told. Many of these are complex and precision made. Yet the telephone is rugged. On the average it needs fixing only once in about six years. And telephone people have worked out ways to make telephones at surprisingly low cost. These things help us keep telephone service a good buy for you. Pacific Telephone works to make your telephone a bigger value every day.

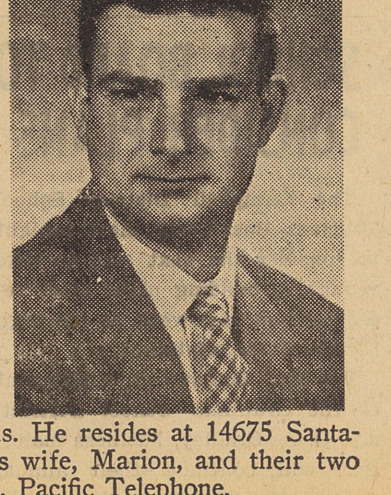
Good way to start a vacation

This is the time of year when many folks start thinking about time off for a rest. And here's a tip that'll help make your vacation even more enjoyable: Before you leave, or while driving to your overnight stop on a long trip, why not call ahead for hotel or motel reservations. That way you'll make sure—in just minutes—that the rooms you want will be waiting when you get there. And the cost is low. In fact, you'll be surprised how far you can call for less than a dollar. So why not take advantage of bargain long distance rates to have the peace of mind that'll make your whole trip more fun.

MEET YOUR ENGINEER



Robt. V. MacArthur is responsible for the design and use of the outside plant required to connect your telephone to the Central Office. He makes arrangements for installation of telephone poles, cables, wires and conduit that are a part of your telephone service. The facilities are located along many routes, both above and below the ground. The equipment he arranges for must meet both local and state regulations. He resides at 14675 Santa-Clara-Los Gatos Road with his wife, Marion, and their two children, Bobby, 8, and Joan, 4. Pacific Telephone.

Cambrian District Trustees Reject Bids As Too High

Delos Bagby, superintendent of the Cambrian School District, said today that the board of trustees had opened construction bids last Thursday night for the five classroom addition scheduled for the new Steindorf School and had rejected them as too high for the $81,000 State allotment..

Bagby said the lowest bid offered by the seven contractors was $92,000; over $10,00 higher than the amount allocated to the State apportioning board, and that the board will try to modify the plans to reduce the costs and re-advertise the bids on June 7.

Cambrian's rejection of the bids follows the action of Campbell, Milpitas, Sunnyvale and Berryessa School Districts, all of whom are now considering ways of reducing costs for their proposed additions.

According to Bagby, the State Apportionment board considers building costs from a state-wide angle when allotting funds and does not take into consideration the fact that costs in this area are higher than in many sections of the state and does not allow for recent labor wage increases. As a result, the schools must pare the cost of construction in as many ways as possible by substituting different heating units, equipment and materials.

CAMPBELL GOLFERS LEAD IN SCVAL RACE

Campbell High School holds the lead in the SCVAL golf championship playoff today, having posted a 335 total Monday on the new Almaden Golf Course. James Lick is second with 348 and Los Gatos third with 410.

Ray Kay led the Campbell team with a low of 79, but Mark Rasmussen of Lick took medal honors with a 75. Final 18 holes will be next Tuesday on the San Jose Country Club course.

Visitors were present from San Jose, Cupertino, Orchard City, Gilroy and Almaden Granges.

The Almaden third and fourth degree drill team, under the captaincy of John Buck will obligate the new Los Gatos members at the June 6th meeting and the Santa Clara County Pomona Home Economics committee will present a flag to the Grange.

At the close of the program refreshments were served by May Walsh, Mr. and Mrs. Jack Mills and Mr. and Mrs. Ward Johnson.

Donald Dennis, 15, Drowned Sunday

Donald Dennis, 15 year old Campbell High School Freshman, drowned Sunday afternoon while swimming in choppy seas off Martin's Beach a few miles from Half Moon Bay.

Donald who was the son of Mr. and Mrs. Robert Dennis of Campbell, had accompanied his father on a fishing trip aboard a small boat and had been warned against swimming in the ocean because of the strong undertow and rough water but had disregarded the warnings. Although he was an excellent swimmer the strong undertow proved to be too much for him and carried him out to sea. Another youth, Edward Magara, 17, of San Jose, noticed the trouble and attempted to reach him but was forced back by the heavy seas.

A Coast Guard helicopter called to the scene arrived within twenty minutes and made a thorough search for the boy but failed to find him.

Besides his parents, Mr. and Mrs. Dennis, Donald leaves a brother, David, 12. The father is foreman for the Western Gravel Company of Campbell.

CAMPBELL REGISTER

Two teachers of the Cambrian school are planning European trips as soon as school is out. Mrs. Yvonne Frances Bosholm is going to Germany to join her husband stationed there with the Armed Forces, and plans to remain with him for the remainder of his overseas service. Mrs. Faith Schoonover will journey to England to visit her son and the daughter-in-law and grandchild whom she has never seen. After her visit she is planning a tour of European countries.

Mr. and Mrs. RAY PRAISS, Jr., are rejoicing over the arrival of a baby girl, Denise Elaine, who weighed in at 6 pounds, 6 ounces at O'Connor Hospital May 24. The maternal grandparents, Mr. and Mrs. Willard Cleveland, reside at 71 E. Rincon Avenue, while the paternal grandparents, Mr. and Mrs. Ray Phariss, Sr., live at Reedley, California. Denise Elaine and her parents live at 1536 Maxine, San Jose.

Mr. and Mrs. JOSEPH S. RAY of 479 Kenneth Avenue are welcoming a new addition to their family, a baby girl whom they have named Marion Elaine. The new baby arrived May 4 at O'Connor Hospital weighing 8 pounds and 6½ ounces. At home to keep her company are six sisters, Loretta, Sharon, Kathaleen, Barbara, Susan and Linda, and one brother, Ronald.

HENRY KAHRMANN of 78 El Caminito flew home yesterday from a week's business and pleasure trip to Fort Monmouth, New Jersey and Washington, D. C. While in New Jersey he visited his parents, Mr. and Mrs. H. C. Kahrmann of Ocean Grove, whom he had not seen in a number of years and attended a big family reunion. Daughter Christine received a long distance phone call from her daddy Monday in honor of her birthday which she and the rest of the family celebrated with a barbecue dinner.

LINDA FAULKNER, young daughter of Mr. and Mrs. L. O. Faulkner of Rosemary Lane, celebrated her eleventh birthday Saturday afternoon with a party for her friends. For the momentous occasion the dining room was decked with pink and blue streamers and hung with multi-colored balloons. Attending the party were Diane Runner, Linda Edsinger, Cari Vassar, Charlene Hansen, John Russell, Ernest Golf, Steven Fisher, Hooter Meredith, and Tommy Mikulin.

Mr. and Mrs. MILES A. STANDISH of Virginia Avenue and their two children report they had a wonderful time on their camping trip to Canada DeLa Salud even though it rained most of the time. Mrs. Standish says friends from Tracy made the trip with them and they were all very comfortable and thoroughly enjoyed their hikes in the rain with the children.

Judge and Mrs. MARTIN S. WALSH spent last Saturday and Sunday at the annual celebration at Angel's Camp which features the famous frog jumping contest immortalized by Mark Twain. According to Mrs. Walsh participants entering frogs came from such far away places as Australia, Hawaii, and Burmuda.

Mrs. JIM ARENDS was happy to hear that her only sister and her husband, Mr. and Mrs. S. D. Coleman of Boulder, Colorado, are the proud parents of twin boys born May 15 whom they have named William Carleton and Sanford David. The Ahrends are looking forward to taking their twin daughters, Gretchen Louise and Evelyn Marie, to Boulder as soon as school is out to see their new cousins.

Mr. WILLIAM DREISBACK of 104 Railway Avenue held a triple birthday celebration for his son Leslie, his grandson Jimmy and himself last Saturday. Mr. Dreisback's son, Leslie, was born on his father's birthday, May 21, but grandson Jimmy arrived just one day too soon for his uncle and grandfather's birthday. The three Dreisbacks enjoyed a large birthday cake decorated with a pasture, fence, horses and their three names. Needless to say there was no room for candles indicating ages 81, 47, and 3.

Campbell Avenue, Campbell, was recently graduated from primary pilot training at Malden AB, Missouri, one of the nine civilian contract flying schools under the jurisdiction of Flying Training Air Force. This is the largest known military flying training organization in the world and as such, is responsible for the training of all pilots and observers for the United Sattes Air Force.

Air Cadet Schaefle is now at Bryan AFB, Texas, undergoing his final 20 weeks of single engine jet training prior to receiving his silver pilot's wings and Second Lieutenant's commission in the United States Air Force.

IST DIV., GERMANY — Capt. Barney M. Barco, son of Ernest T. Barca, Route 1, Saratoga, Calif., recently was graduated from the 1st Infantry Division's Combat Intelligence School in Germany.

Captain Barco, assigned to the intelligence section of the division's 7th Field Artillery Battalion, has been in Germany 21 months.

A veteran of more than 12 years' Army duty, he holds the Bronze Star Medal, the Purple Heart, the European-African-Middle Eastern Campaign Ribbon and the Army of Occupation Medal for duty in Japan. His wife, Leta, is with him in Germany.

KANEOHE BAY, T. H. (FHTNC)—Participating in a special joint air-ground operation here with the 4th Marine Regiment's 2nd Battalion is Pfc. Hoyt L. Lower, Jr., son of Mr. and Mrs. Hoyt L. Lower of 358 April Way, Campbell, Calif.

The operation, conducted by the 1st Provisional Marine Air-Ground Task Force, is aimed at making every man of the reinforced 4th Marine Regiment familiar with the steps that go into accomplishing an airlift into a combat zone.

Marine Air Group 13, using a squadron of four engined transport planes from Air Group 25, is indoctrinating the troops in an actual airlift operation in the Hawaiian Islands.

Upon completion of the operation May 28, each of the more than 6,000 men in the regiment will know what is expected of him and his unit in such a move.

Annual Barbecue For Sacred Heart Guild On June 5

Plans are completed for the picnic and barbecue sponsored annually by Saratoga Sacred Heart parish. Co-chairmen William Bullier and Mrs. C. P. Albanese have announced it will be held Sunday, June 5 at the Melody Ranch off Big Basin way in Saratoga. The dinners will be served from 12 noon until 3 P. M. and will feature large chickens barbecued under the expert direction of head chef August Boisseranc and his staff.

Those who wish to relax and play a bit before or after dinner will find a midway of games and booths which will give the picnic grounds a carnival-like atmosphere for the day. A program of activities has been mapped out to interest youngsters of all ages.

Many valuable prizes will be awarded during the afternoon. Those attracting the most attention are a large Bar-B-Q Ranch Wagon with motorized spit, a Bulova wrist watch, a doll with a complete all-occasion wardrobe, and a two gun, silver-sheathed holster set.

Among those assisting the cochairmen are Messrs Vern Buckle, Pat Creegan, Ben Gullo, Donald French, Thomas Keenan, Al McCoy, Sam Pace, Sam Serchia, James Walsh, and the Mesdames William Cole, Donald French, Thomas Keenan, Bart Giraudo, Patrick Raney, Rita Schaufel, and Harry Sundby.

ARMY HOME TOWN NEWS CENTER, KANSAS CITY, MO. May 16—PFC Charles D. Knowles, son of J. Warren Knowles, 140 W. Rincon ave., Campbell, Calif., is a radio operator in Headquarters Company of the 1st Infantry Division's Medical Battalion in Germany. A former student at San Jose State College, he entered the Army in November 1953 and arrived overseas a year later. He is a member of the Phi Mu Alpha fraternity.

Chief Robt. Locke Attends State Police Convention

Police Chief Robert Locke attended the combined All Chiefs zone meeting and California State Peace Officers convention which was held last Thursday, Friday and Saturday in Stockton. Speakers were Governor Goodwin Knight, Attorney General Pat Brown and Russell Muncy of the state alcohol control department.

The officers were given a demonstration of direct dialing from California to the office of J. Edgar Hoover in Washington, D. C., and heard him give a welcoming message to the convention over the public address system by way of the telephone.

Business included panel sessions on various criminal phases, traffic control and crime prevention, and instructions to committee on matters to be presented before the legislature by their representative.

1000 Soldiers In Memorial Parade

Fiesta de San Jose opened last night and continues through Monday at the fairgrounds in conjunction with the 4th annual hobby show. It is sponsored by the Junior Chamber of Commerce. Fiesta dancing is a special part of the fiesta along with folk dancing.

Muchachos day on Saturday is 10 a. m. to 11 p. m. while Sunday and Monday the hours are noon to 11:00 p. m. A championship rodeo is scheduled at two on Saturday and a Memorial Parade will be at 10 on Monday with 1000 soldiers from Fort Ord marching as honor guard.

Salvation Army Gathering Items For Handicapped

Campbell residents will have an opportunity to give their used and discarded items to The Salvation Army next Saturday, May 28th, the day the organization has chosen to solicit for the items in this area.

In an announcement from the Men's Social Service Center in San Jose, Major Kenneth Ayers, officer in charge of the center, said that those who wish to make contributions may write a card or letter to the center at 575 South Market Street, or call CYpress 4-6316.

The officer that those calling or writing, need only give the name and address so that a pick up of the materials can be made.

He pointed out the use of discarded items by The Salvation Army by saying that homeless and handicapped men receive benefit from the contributions.

He explained that all items are repaired and reconditioned in the San Jose center and then placed in Salvation Army stores, where low income families shop regularly for them. He said that it is through this disposition of the items that support is gained for the rehabilitation program of the organization for homeless and handicapped men.

Jellyfish belong to a very large group that includes sea anemones, corals and sea fans—all forms equipped with stinging cells.

Art Of Weaving Discussed By S. J. Instructor

Mrs. Winifred Tonkin, teacher at the Chandler Tripp School for cerebral palsy children, discussed weaving as one of the Arts at Monday's meeting of the Country Woman's Club.

Mrs. Tonkin told the club members that weaving is now definitely known by scientists to be the oldest art of man and not pottery as was formerly supposed. Looms she displayed included an Inkle from South America, a belt, and four harness looms. Her show of hand woven fabrics were suitable for ties, bags, place mats, dresses, drapes and even house slippers. She firmly believes everyone should try to be original in design and not copy from other materials.

Mrs. Tonkin is an active member of the Mission Weavers of San Jose, Contemporary Hand Weavers of California, and the Loom and Shuttle Guild of South Peninsula.

The annual Club picnic will be held at Montalvo at 12 o'clock noon on June 6. The Campbell High School A cappella choir will furnish musical entertainment. Anyone needing transportation should contact Mrs. Ross Trowbridge or Mrs. Vernon Suess.

It was announced the County Federation will meet here in Campbell on Friday, May 27. Chairman of the event will be Mrs. B. T. Morton. Entertainment will be furnished by a group from the student nurse choir of Santa Clara Hospital. Guest speaker will be Sheriff Melvin Hawley.

Mrs. Frank Jacobson was chairman for the day and was assisted by Mesdames Frank Jameson, Nellie Rutherford, Kermit Patten, C. E. Hancock, and Henry Jensen.

Death Claims Tatsu Matsui

Funeral services were held Saturday at the Buddhist Church in San Jose for Mrs. Tatsu Matsui, 62, who died Wednesday at her home at Rt. 2, Box 1010, Campbell, after a long illness. She had been a resident of Campbell for nine years ,and was a native of Japan.

She is survived by her husband, Chozo Matsui; two daughters, Mrs. Mate Takaoka of Los Gatos and Mrs. Emily Asazawa of Cleveland, Ohio; three sons, Bob, Bill and George Matsui, all of Campbell; and eight grandchildren.

Shell Premium with TCP
can tune your engine
this weekend
—and do it without tools

By neutralizing lead and carbon deposits, Shell Premium Gasoline with TCP re-powers your engine in 400 miles—or less*

Before you get home from a weekend trip, your engine will be delivering power you thought it had lost forever!

By the time you've used two tankfuls of Shell Premium Gasoline with TCP—you will be getting the full power high octane gasoline should provide.

That's how quickly "the greatest gasoline development in 31 years" goes to work. **And you don't so much as touch a tool.**

As you drive, Shell Premium with TCP automatically neutralizes the lead and carbon deposits that cause prefiring in combustion chambers and make spark plugs "miss." By doing so, it overcomes the major causes of power loss in today's engines.

Remember, the greater the need for high octane, the greater the need for TCP additive. Only Shell Premium has both TCP *and* high octane. It's the most powerful gasoline your car can use.

Get off to a good start!

Before you begin your trip, let your Shell Dealer inspect your tires, wiper blades, lights, radiator, motor oil and battery. It will pay you to have them checked before you start.

*Shell's Trademark for this unique gasoline additive developed by Shell Research. Patent applied for.

Only Shell Premium Gasoline has both TCP *and* High Octane!

By HELEN McLEOD

THIS WEEK I WAS LUCKY. I heard of several new babies, and all were born this month. Mr. and Mrs. JAMES WALSH have a new boy, James Kevin, born May 10 at O'Connor's Hospital. The Walsh's have lived on Paseo Tierra since the tract opened, and have a daughter 4½, Mary Elizabeth, and another boy, John, age 2½. Mr. Walsh is a carpenter at Lick Observatory, and the family is a local Santa Clara Valley one. MR. and MRS. GEORGE YAMASHITA, who have a ranch on Saratoga Ave. near Quito Park, have their first child, a girl, born May 11 at Doctor's Hospital. The baby's name is Judy Harumi, the Japanese name means Beautiful Spring. Mr. Yamashita was born in Cupertino, and when still an infant, went back to Japan with his parents. The family returned to this area in 1950, and George joined his brother, Henry, at the ranch about a year ago.

THE RUSSELL GREENS ARE NEWCOMERS to the area—and had a new baby on May 16, San Jose Hospital. The baby is named Thomas Marvin, and he has an older brother, Steven, age 4½. The Greens moved to Ravenwood Drive about 10 months ago, and are from Springfield, Mass. Mr. Green was transferred from the Monsanto Chemical Co. plant in that state to the local one in Santa Clara, where he is a research chemist engineer.

OTHER NEWCOMERS ARE THE JAMES BURNS, who moved into a Westbrook Park home on March 15—same date as they took over ownership of Sandy's Cleaners on Stevens Creek Road. The Burns family is from Bremerton, Wn., and they have a daughter, Kathy, 7th grade, Moreland, and Kenneth, 5th grade El Quito Park.

THEODORE G. ROMERO and family moved into a home on Paseo Flores recently. Mrs. Romero is from Kanab, Utah, and Mr. is a native San Josean. The two boys, Teddy and Ronnie attend El Quito Park School, and there are two pre-school girls—Georgia and Paula.

THERE ARE THREE CHILDREN in the JAMES DELIA family, who moved into a home on Quito Rd. a while back. Lorelei, 16, is a Junior at Campbell High; Roy, 14, is an 8th grader at Campbell Grammar School, and Melanie is in the third grade at St. Lucy's. Mr. Delia has a small manufacturing place on West San Carlos, where he makes incinerators and metal clothes lines. Incidentally, they have a male and a female puppy, age 2½ months ,to give away. Their grey Persian cat used to come over to our place—they live right behind us—and we were able, at the Delia's request—to give the cat to former Quito residents, the Andrew Parola's. Last week, when Mikey Parola was visiting in the neighborhood with his mother, Yolando, we were happy to give him a frog from among the seven we possessed. Next week, I'm hoping to make a deal with them on a white rabbit which lives in our back yard—and which we don't want.

JUST DISCHARGED FROM THE ARMY is W. Ray Williams, who with his wife, Esther and 11 month old daughter, Debby, are staying temporarily with Mr. and Mrs. Walt Williams of Quito Road—Ray's parents. In addition, there are 6 year old Robert, and older brother Rollie, who helps in his father's locker business. MRS. WILLIAMS attended a baby shower in San Jose recently, the expecting mother being Mrs. LEE ARNOLD.

OTHER BABY SHOWSRS: MRS JOHN MATTHEWS of Paseo Olivos had a lovely shower given her by her former fellow-employees at O'Connor Hospital. The S. 2nd home of Mrs. LaVerne Bremenkemp was the locale of this event. MRS. NEWELL CRANDALL of Devon Ave. was given a shower at the Carco Ave. home of Mrs. Elaine Butler. A number of local women attended, among them Mrs. HILDA DUCKETT, MRS. JEAN STRICKLAND, CLEATIE FRYE, OZELLE VESTAL, LAFAY SMART, RITA MADERIA, ANN LUA, LORNA WALKER, ETHEL BOUCHER, EVELYN MANNIX and ALTA HALE.

JUST RETURNED FROM A MONTH'S visit with relatives in Minnesota is Mrs. RAYMOND WHITE of Paseo Tierra. The Whites have six children: Carrol, Jeannette, Nancy, Elaine, Jerry and Paul.

CONVALESCING AFTER A VISIT to O'Connor's is 6½ year old Karol Upton, who is back with her family, the Oliver Uptons, on Bucknall Rd. The Uptons have a nine week old boy, Rickie, a fourth grader, Terry, and there are Ronnie and Linda. ANOTHER RETURNEE FROM O'CONNOR'S is Mrs. AARON WHEELER of McCoulouch Street. While she is recuperating at home, Mrs. Wheeler's two children, Leslie and Ronnie, are staying with relatives.

Brownies Hold A Family Picnic

Winding up a year's activities, seventeen Brownies of Troop 379 of Dover School held a picnic with their families at Willow Glen Park last Wednesday afternoon. All present had a good time playing games and thoroughly enjoyed their outdoor lunch which was planned by Mrs. Kenneth Wood, who chairmanned the affair.

Members of the Troop are Gail Stevens, Dawn Marron, Susan Gillespie, Cindy Wood, Ann Zavlaris, Susan McDonald, Rosemary Ventura, Denise Ratner, Carolyn Schmidl, Susan Gire, Phyllis Pratt, Patti Perry, Sherry Longest, Demetra Sarris, Michele Fisher, Judy Hall and Pamela Ryes. Mrs. Arthur Gillespie is leader and Mrs. Darwin Marron and Mrs. Glen Stevens are co-leaders.

All The States Picnic Scheduled

All The States Society, formerly called All States, will hold its annual picnic Sunday, June 5, at Sunnyvale City Park on Patoria Street at 1:00 p. m.

The picnic is a "get-to-gether" for all interested out of state persons. Everyone attending is asked to bring his own lunch. Free ice cream and coffee will be furnished by the committee who have also planned games and secured prizes. A short business meeting will follow the picnic.

For further information call the president, Ray Oberholtzer of 541 Patton Street, San Jose.

Home Extension Tea Is Today

A Silver Tea will be held today, May 26, by the Cambrian Home Extension Club from 2 to 4 p. m. on the patio of Mrs. Frank Fickle at 15710 Woodard Road.

Entertainment will be a film on the migrant situation to be presented by Mrs. James Gobel.

The committee heading the affair is comprised of Mesdames Glen Daniels, Carol Day and Carl Stier. Mrs. Earl Dodson is in charge of decorations.

Darrell Morehouse Second In Diving North State Final

Darrell Morehouse placed second in diving at the North Coast Section Swimming championship trial Saturday, winner being Haywood of Palo Alto.

Steve Skold, Campbell's freshman star, placed third in the 200 yard Freestyle as Harrison of Acalanes set a new record of 1:59, with Laine of Santa Clara coming in second, Hollingsworth of Palo Alto was fourth and Duncan of Campbell was fifth.

Santa Clara High won the meet by nosing out Palo Alto 30 to 29 mainly because of a double win by Mike Roach in the 100 yard backstroke and 150 yard individual medley.

Johnny Oldham To Cincy Reds For 1956 Delivery

Johnny Oldham who was sold by the Cincinnati Reds to Seattle during the winter, was repurchased by the Redlegs from the Coast league club for 1956 delivery. Oldham, who resides in Campbell was graduated from Campbell High School and San Jose State college.

Last season the lefthander won three and lost two for Columbia in the Sally League. For Seattle he has won four and lost two this season with a 3.38 earned run mark in relief work.

One of San Francisco's outstanding tourist attractions is world-famed Fisherman's Wharf.

Mike Profitt To Enter State Meet

Mike Profitt, Campbell High School track star advanced to the state finals in Los Angeles next Saturday after placing second in the shot put last Saturday in Edwards Stadium, Berkeley, where the North Coast Section championships were held. Profitt, a sophomore put the shot 54' 3-3/4 inches. First place winner was Della Lebra of San Mateo with a 54' 11½" heave.

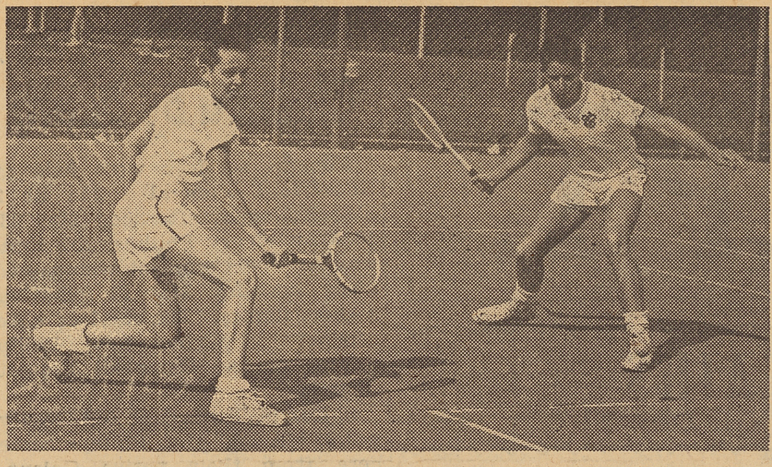
Max Kinsey of Campbell tied for first place in the Class B pole vault at 11 feet while Monte Sheridan won a third place for Campbell in the discus.

Team scores: Mt. Diablo 31, Hayward, Menlo-Atherton, Berkeley, Napa, Alameda, Sequoia, Campbell, Sonoma, all 26, Richmond, 24 3/4, San Mateo 16, Pittsburgh 15 3/4, Watsonville 10, Willits 8, Palo Alto 8, Lincoln (San Jose) 6 1/4, 5, James Lick 3.

Three-Way Tie In Softball League

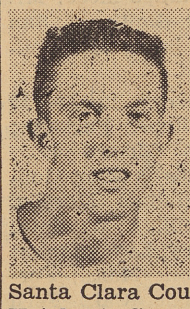
There was a 3-way tie for the lead in the Campbell Softball league last night as teams began a summer-long season of play at the Campbell Grammar School field. St. John's and St. Lucy's have won three each and lost none while the Jerry Davis Travellers have two wins and no losses.

Western Gravel has one win and two losses, Mongoose has one win and one loss, Italian Americans have no wins and two losses, Concrete Service has no wins and two losses and the Campbell Tutors have been drubbed thrice and failed to get into the win column.



OUTSTANDING MEMBERS OF CAMPBELL HIGH SCHOOL'S TENNIS TEAM this season were Mark Wright and Kevin Gugat. This doubles team won ten matches and lost none! Gugat is a freshman and Wright a sophomore. The team as a whole, working under Coach Gugat, won eleven matches, lost only four, and tied but one against all competitors. The team has no seniors and so all its members will return next year with, what should be, an unbeatable squad. Besides Gugat and Wright, other "netmen" of the year include Tom Goulding, Nathen Meleen, and John Davis.

U. C. Scholarship For Dick Kolte



Dick Kolte, one of the top athletes of Campbell High School who also was an honor student, was awarded a $300 scholarship to University of California by the alumni club of Santa Clara County in the DeAnza Hotel at San Jose on Tuesday night. Nancy Lee Burton of San Jose High and Glenn Lee Rutt of Fremont also won $300 scholarships.

Receiving scholarships directly from the university are Charles Davis, San Jose High; Kenneth Kimura, James Lick High; John Giordano, Willow Glen High, and Theodore T. Abe, Los Gatos High.

Recipients of honorary scholarships are Janet Lynn Bilker and Shirley Lee Brancato, both of Lick High; Carolyn Drummond Jones, Fremont High; Nancy Jamison, San Jose High; and James Wilson Douglass, Bellarmine College Preparatory School.

Will Hayes Gassett of Lick High was named winner of the Naval Reserve appointment.

Mr. and Mrs. W. W JOHNSON of 705 Ridgeley Drive have just returned from a week's visit to southern California where they visited nieces, and great nieces and nephews they had not seen in fifteen and twenty years. On their return trip they were accompanied by Mrs. Johnson's sister, Mrs. Jessie Robbins of Sherman Oakes who is now visiting in Campbell.

ALLEN-BRADLEY BILL ASKS STATE TO BACK NEW PENINSULA FREEWAY

Widening of the Cupertino-Sunnyvale road has been recommended by State Highway Engineer George T. McCoy. It is a 3.9 mile portion of the Sunnyvale-Saratoga road which is 8 miles in length and is located between El Camino Real and McClellan Road, south of Stevens Creek Road.

The section proposed for improvement would cost an estimated $437,000 to two 11 foot lanes with seven foot shoulders. There are no immediate plans for the road from Cupertino to Saratoga as the route may be relocated in the Saratoga area, McCoy stated.

In the meantime the Junipera Serra Boulevard is being considered extended from San Bruno to the south side of Stanford lands through Los Altos and easterly to intersect Highway 9 (Saratoga-Cupertino) about two miles north of Saratoga, continuing northeasterly for about two miles north of Saratoga, continuing northeasterly for about two miles east of where Bayshore highway and Monterey road are joined.

The gap between San Bruno and Stanford and that between Stanford and open country west of Cupertino are presenting problems. Bills are before the legislature asking inclusion of the freeway in the state highway system. The project started 27 years ago by joint highway district 10 made up of San Francisco and San Mateo Counties and was completed as far south as Crystal Springs Road at San Bruno, a total of 7.2 miles. On paper it was to continue southward through Hillsborough, Belmont, San Carlos, Redwood City, Menlo Park as a scenic highway of two lanes separated by parking strips. But actually it cut up valuable estates, schools and other improvements and was bitterly fought. Then they decided it might be well to turn to Skyline and along LaCanada Road to Woodside and to Stanford, but then Woodside did not want that kind of traffic, Los Altos also objected, so San Mateo County planners took the Serra extension.

An Assembly bill by Clark Bradley and Bruce Allen (AB 2574) and a Senate Bill by Jack Thompson of San Jose and Harry Parkman of Woodside (SB 1249) and now before the Senate Transportation Committee. They would turn Junipera Serra over to the state and dissolve Joint District 10. This would leave routing up to the state so it can have another highway down the peninsula. Bayshore is crowded while El Camino has become an intercity road, Skyline boulevard is too narrow and remote in southern stretches and is often fog-bound.

Happy Blue Birds Are A Busy Group

The Happy Blue Birds of Rosemary School held a family picnic last Sunday at Camp Wastahi in Big Basin. After roasting weiners, the girls and parents took a hike around the camp while the Luta Horizon Girls explained about the sleeping, eating and recreational facilities. Returning from the hike they all sang songs, had a treasure hunt and roasted marshmallows, reports Marty Wiedemann, the little Blue Bird secretary.

During the past month the girls have kept themselves busy by making May baskets for the County Hospital, marching in the Old Settlers' Day Parade, and making Mothers Day gifts.

Television by wire and radio was demonstrated by the Bell Telephone Laboratories, April 7, 1927.
